

Durham Gilesgate Primary School

Anti Bullying Policy

Statement of Intent

At Durham Gilesgate Primary School we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

This policy should be read alongside those for Behaviour Management, Race Equality, Gender Equality and Disability Equality. It also forms part of our wider remit to safeguard the pupils in our care.

This policy covers bullying which may be experienced by pupils who are bullied by other pupils. It also covers pupils who are bullied by adults and adults who are bullied by other adults. (For staff who are concerned about the actions of another adult in school this policy should be read in conjunction with our Confidential Reporting Code)

What Is Bullying?

In our school we define bullying as "behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally".

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Cyber All areas of internet ,such as email & internet chat room misuse
Mobile threats by text messaging & calls
Misuse of associated technology , i.e. camera & video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Every member of our school has a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

- writing stories or poems or drawing pictures about bullying
- reading stories about bullying or having them read to a class or assembly
- making up role-plays (or using commercially available role-plays)
